Sorors, in 1984 Tina Turner released her number 1 single, selling over 1.5 billion copies, What's **Love** Got to Do with It? The lyrics start with "You must understand how the touch of your hand makes my pulse react...." Then the chorus says...."What's **love** got to do, got to do with it? What's love but a second hand emotion? What's **love** got to do, got to do with it? Who needs a heart when a heart can be broken?"

Sorors, today I tell **LOVE** has everything to do with it! Our Southwest Regional Director has adopted **LOVE** as her theme for the region. She continues to say "Believe Delta, and **Love** Deltas." Sorors in everything we do, we must do it in **LOVE**. How we engage, enlighten and execute we must do it in **LOVE** with focus on the work of Delta. Our **LOVE** shined as we collaborated with our sisters and brothers in the community to "Caravan to the Polls." November 8, is around the corner and we still must continue to encourage our networks and beyond to VOTE, VOTE, and VOTE.

This month, Educational Development will host its EMBODI symposium. If you have a young man in your home, sign him up and bring him out to this promising program themed "We Gon Be Alright." The GEMs will be serving at the H.E.B. Feast of Sharing. We will walk the Delta Red Carpet again as we support the long awaited Wakanda Forever. And let's join in with the Jazz at St. James event. And the Physical and Mental Health committee has helped us heal from the aftermath.

Sorors there's no better season than this season of thankfulness to focus our hearts and minds on **LOVE**. The **LOVE** that we have for one another and the love that we have for the community we serve. Thus, faith, and hope, and **love** last on, these three: but in Delta Sigma Theta, the greatest of these is **love**.

Yours in Service,

Soror Robin Blackmon

Chaplain's Message

by Soror Dedurie V. Kirk, Chaplain

This Is How We Do It!

Before we became members, something about Delta Sigma Theta captured our attention. Maybe a relative, friend, or teacher was a member. Maybe we were involved in one of Delta's youth programs. Perhaps we saw Delta's community work and were drawn in.

But when accepted for membership, we truly began to learn what makes Delta, Delta. Since Delta is a living organization, it continues to develop and grow. We go to conferences, conventions, state clusters, and local meetings to keep up with the latest policies and procedures. There is but one way---the Delta way. And that is how we do it.

Likewise, before we became members of the body of Christ, something about the Lord attracted us. Was it the stories we heard grandparents tell about what the Lord had done in their lives, bringing them through dangers seen and unseen? Was it a parent who trained us in the ways of God and along the way we found out the Word of God stands true? Could it be a Sunday School teacher that made God's words leap off the page and come alive in our hearts? Or maybe, just maybe, we had a direct encounter with the Lord, and our lives have not been the same.

When we accepted Jesus as the leader of our lives, we truly began to learn what makes Jesus, Jesus. We discover more about ourselves, having been made in God's image. We learn by following Jesus and doing what Jesus does.

But how do we know what Jesus does, since Jesus is not here in the flesh right now? We read the Word.

When we read the Word, we learn how to live. When we read the Word, we are equipped to love.

When we read the Word and follow the Word, we're ready and willing to serve.

When we follow Jesus we follow the Way.

Since Delta Sigma Theta was founded on Christian principles, it follows that doing the things of Christ will lend itself to doing the things of Delta through love. And that is how we do it.
