Subject: Sorors, get ready to Rocket with Crockett!

To: dstatxnews@gmail.com**Sorors, are you ready to Rocket with Crockett?****Pillar 1: Development**

While sisterhood is the fuel that keeps us going, the Sorority is a business, and to sustain this business it is imperative that we address priority 1 of Delta's strategic plan: Organizational Health.

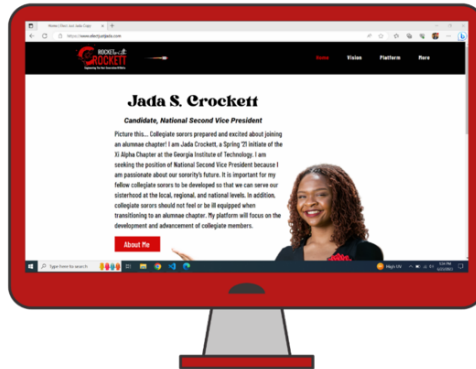

As National Second Vice President, I will ensure that all sorors are fueled with the tools needed to be a great Delta. I want to launch a Delta Playbook that will demystify mandatory Delta operations and share best practices. For example:

- **PP&D:** Templates and instructions for community assessments and event reviews
- **Treasurer:** Quick access to mandatory financial documents and helpful tips on way to use technology for accurate record keeping
- **Social Action:** Facilitate collaboration with Delta's strategic partners to

increase programmatic impact AND provide examples of social action activities and events that collegiate chapters can utilize

This resource will be accessible via the members portal and DST Sorority App so members can have access to important documents and best practices in the palm of their hand.
