To: dstatxnews@gmail.com[View this email in your browser](#)

Dear Sorors of DST:

As we draw closer to our 56th National Convention in Indianapolis, I wanted to highlight my 35 years of professional experiences in the banking and the financial services industries and my 32+ years of Delta leadership experiences. I feel blessed that the combination of my professional experience and my Delta experience aligns well with the duties and responsibilities of the office of National Treasurer.

I'm prepared, and I'm ready to serve!

As you can see, I have a well-rounded professional background that leans into financial advisory services and community interests that align well with Delta's Five Point Programmatic Thrust. Most notable among my career experiences is my time as CEO and President of the Brookland Federal Credit Union. I not only led the credit union for several years, I also led the team that actually chartered the credit union giving me a "soup to nuts" perspective. My Delta leadership experiences have taken a similar ground-up approach beginning with my initiation at Iota Chi where I served as Chaplain and leading to my very recent service on the National Finance Committee and, currently, the National Strategic Planning Committee.

Sorors, thank you for taking the time to review my credentials for the office of National Treasurer. You can learn more about me by visiting www.rosalynglenn.com. I fully believe that
