Committee Decisions: (limit 500 characters)

Early Childhood Literacy - The Educational Development Committee identified Oak Springs Elementary as a partner school. The principal of the elementary identified school supplies in the Spring as a need for the campus. Students generally receive supplies at the beginning of the school year and by January, that supplies needs to be refreshed and replenished.

Recommendation to Executive Board:

The Educational Development would like to solicit the chapter for school supplies. Supplies would be collected at the November and December chapter meetings to be donated to Oak Spring elementary for the start of the Spring Semester. Using the list provided by school, we would like to create an Amazon Wishlist and have a collection box at the next two chapter meetings.
