

AUSTIN ALUMNAE CHAPTER DELTA SIGMA THETA SORORITY, INC.

President's Report Robin Blackmon

Austin Alumnae (Local)

- Austin Alumnae Day in the City of Hutto. We were about 20 members strong in the City of Hutto and we definitely made our presence know. It was an informative day; we learned a lot about the city and received information as to how we can serve this community. Hats off to Celeste Williams, Veronica Johnson, co-chairs, and Melody Southall a Hutto resident for taking the lead. Sorors, I think we are sparking some fires and I'm excited to see how we leverage this effort to expand our reach and making footprints in this community.
- Supporting black businesses. If you have been to The Rolling Rooster, Down South Cajun Eats, Krab Kings, Winston's Kitchen, Mr. Catfish, purchased items from sorors with businesses, please report for our Crimson and Cream goes Black for Green. This is a SWR initiative and we will be reporting our spending. Find your receipts.
- Follow up on the Recommendations from Internal Audit. After communicating with Soror Nicole Deloach, regional finance team member, there was not a need to vote on the recommendation from Internal Audit. Soror Deloach provided some guidance on how to address the issue and I asked Internal Audit to go back and consider the recommendation. The Chair of Internal Audit will address this in her report.

Regional/State

- **Austin Alumnae is a little short of 2/3 of its membership that has donated to I AM Southwest 100. I would love to report to the regional director and to the corporate sponsors that we have at least 2/3 of our memberships support. That would be at least 200 members at \$100 each for a total of \$20,000**

National

- Delta Journal was published on the national website
- New Fiscal Officers Manual has been released on the national website
- Delta Days at United Nations registration open
- Membership verification letter
